LAURA IS TIRED OF SEEING PEOPLE DAMAGE THEIR LIMBS JUST BY ENGAGING IN A HOBBY. SHE WANTS TO SEE PEOPLE USING PERIPHERALS THAT ARE GOING TO BE EASY ON THE HUMAN BODY, NOT DAMAGE IT. SHE JOINED UP WITH COMFORTRGB TO HELP DESIGN CONTROLLERS, KEYBOARDS AND MORE THAT FEEL NATURAL AND RELAXED, WHILE STILL PROVIDING OPTIMAL CONTROL.

GARY DEVELOPED CARPAL TUNNEL DURING HIS CAREER AS A TWITCH STREAMER, HIS HANDS NOW ACHE TERRIBLY AFTER EVERY STREAM AND EVEN WHEN HE JUSTS SITS TO DO COURSEWORK, USING A KEYBOARD JUST CAUSES PAIN. IN ORDER TO CONTINUE HIS CAREER PAIN-FREE, HE ENTERED PHYSICAL THERAPY AND AT THE ADVICE OF HIS PT, BEGAN USING ERGONOMIC PRODUCTS, HIS BACK PAIN, HAND PAIN AND WRIST PAIN IS NOW BARELY NOTICEABLE!
